## OUR THEME: ADAPTABILITY

The Health Professions Network's Virtual Fall Conference is organized around the theme of **adaptation**. COVID-19 has accelerated an already rapid pace of change for allied health professions and its leaders and organizations. **Our task is to understand the difference between *adapting to cope* and *adapting to succeed*.**

### *Pay What's Fair*

Register online at [hpnonline.org/events](https://hpnonline.org/events)

We don't want cost to be a barrier to wide, active participation from leaders of allied health professions. **We suggest fees of:**

- **\$150** for HPN member organizations,
- **\$250** for non-members,
- **\$25** or **\$50**, respectively, for additional representatives from your organization.

### *Our Schedule*

NOV. 17 - WED - 11AM-2PM ET  
NOV. 18 - THURS - 11AM-2PM ET  
NOV. 19 - FRI - 11AM-2PM ET

## Our Program

Our task is to collectively move allied health professions and its organizations from *adapting to cope* to *adapting to succeed*.

Our program is built to address the rapid pace of change in our technological, regulatory, care, work and collaborative environments, with sessions and discussions aimed at bleeding-edge insight into work and workforce changes.

Experience a truly flexible, collaborative virtual conference that fits into your busy schedule.

### FACILITATED COLLABORATIVE DISCUSSIONS

each day

Collaboration promotes adaptability. Draw on the collective experience of other health professions leaders meeting similar challenges. Set an agenda for collaboration - on **advocacy, education, technology** and more.

### EDUCATION, VIRTUAL LEARNING & NEW PROFESSIONAL PATHWAYS

wednesday

Education is changing - how can we ensure patient safety and professional competency while seizing new opportunities to expand patient and professional access?

### REGULATIONS, PROTECTIONS & ADVOCACY GOALS

thursday

Regulatory priorities are changing - are professions changing with them? Collaborate with other health professions leaders to understand our current regulatory environment and establish common advocacy goals.

### VIRTUAL-FIRST OFFICE AND MEETING ENVIRONMENTS

thursday

How are our organizations changing, and how can we stay on track with our goals - or promote flexibility and adaptability in shorter time frames? Get insight from other outstanding leaders meeting similar challenges.

### ACCREDITATION, CREDENTIALING & DEVELOPMENT

friday

What role will professional organizations play in the new paradigm? What are the best ways to ensure professional competency with credentials or promote new professional development pathways?

### TELEMEDICINE, NEW CARE ENVIRONMENTS & COMPETENCIES

friday

What do those changing competencies look like today and tomorrow? What is the future work environment for health professionals? How can we help current professionals **adapt**?
